

Java

As one of our most luxurious models, the Java mattress has received the highest customer feedback.

With 1500 pocket springs paired with natural cotton, cashmere, wool and latex, the Java is a medium soft tension and provides exceptional levels of comfort.

The mattress will have a black and white cotton cover as standard, however, this can be upgraded to damask, guardian or Egyptian cotton.

Picture shows our Standard Divan Base with flaps and features our Telford Floorstanding Headboard and is shown here in Berwick Concrete fabric.
