

Virginia

Our most popular model within the student market, the Virginia mattress is great value for money.

The Virginia mattress features an open coil orthopaedic spring resulting in a slightly firmer feel to ensure a supportive night's sleep.

The mattress will have a black and white cotton cover as standard, however, this can be upgraded to damask, guardian or Egyptian cotton.

Picture shows our Standard Divan Base featuring our 22" Bowness Headboard and is shown here in Berwick Mercury fabric.
